Principal's Desk

Education is at the core of responding to challenges and opportunities.

"Proud to be an Engineer".

Engineers can bring prosperity to the nation. They can find new innovative ways of improvement in the existing system.

A newsletter is generally a regular contributed publication that is of interest to its subscribers. I am pleased to know that department of Civil Engineering launching a newsletter, to give information of all its activities, recent development and future initiatives of the department.

பிற்பகல் தாமே வரும்-319**

If a man inflict sorrow upon others in the morning, it will come upon him unsought in the very evening.

HOD'S Message

I am happy that the Department of Civil Engineering is releasing newsletter for the benefit of students and construction industry.

It give me immense pleasure in seeing the articles on latest trends and the Department of Civil Engineering is pro-active in organizing many programs. I wish the newsletter should carry many more useful information for the benefit of students.
